Staff Meeting Date: May 6, 2014.

1. Meeting at Reșița Technical High School:

- Brief tour of school; ca.800 students + 56 teachers; intro. + welcome by headmaster.
- Discussion about technical/vocational schools in RO + CY + student backgrounds + related social issues inherent to these student populations.
 - Promotion of these types of schools by the RO gov't. because more jobs available in technical domains.
 - RO gov't goal: 60% technical (vocational) vs. 40% theoretical (liberal arts) high schools.
 - The top three professions for which Reșița Technical High School provides training: mechanics; electricians; and electronic technicians.

GRANT AGREEMENT NUMBER: 2012-1-CY1-GRU06-02399

FCIGL 5th (Final) TNL Meeting Resita (RO) **Staff Meeting Notes**

2. Dissemination:

- Representatives from CY + FR interviewed about project and stay in RO by the local, national public radio station and by the regional television station; RO partner to send links to these shows.

3. Review of Deliverables:

- Almost all deliverables (including all three newsletters) have been completed; the one outstanding deliverable is the Best Practice Guide (BPG), which is the final product.
- Missing contributions for the practical part of the BPG from RO + ES. Once received, CY will edit and finalize the BPG.

4. TNL Meeting Evaluations:

- Link to online transnational meeting evaluation forms (<https://drive.google.com/folderview?id=0B2oZELhQ9JYCbzkyVXoyOTRPNI&usp=sharing>) produced by ES should be accessed by all partners who should then fill out the relevant evaluation forms as soon as possible.

5. Final Report Discussion:

- Review of the different parts of the final report; CY to send model text for the common part (Part A) to the other partners.
- Reminder was addressed to all partners about the need to complete the EST database.
